

Edward Moya

Senior Market Analyst, The Americas

With more than 20 years' trading experience, Ed Moya is a Senior Market Analyst with OANDA, producing up-to-the-minute intermarket analysis, coverage of geopolitical events, central bank policies and market reaction to corporate news. His particular expertise lies across a wide range of asset classes including FX, commodities, fixed income, stocks and cryptocurrencies.

Over the course of his career, Ed has worked with some of the leading forex brokerages, research teams and news departments on Wall Street including Global Forex Trading, FX Solutions and Trading Advantage. Most recently he worked with TradeTheNews.com, where he provided market analysis on economic data and corporate news.

Based in New York, Ed is a regular guest on several major financial television networks including *CNBC*, *Bloomberg TV*, *Yahoo! Finance Live*, *Fox Business*, *cheddar news*, and *CoinDesk TV*. His views are trusted by the world's most respected global newswires including *Reuters*, *Bloomberg* and the *Associated Press*, and he is regularly quoted in leading publications such as *MSN*, *MarketWatch*, *Forbes*, *Seeking Alpha*, *The New York Times* and *The Wall Street Journal*.

Ed holds a BA in Economics from Rutgers University.
